The Class of June 1952  
WEST SIDE HIGH SCHOOL  
Newark, New Jersey

# DEDICATION

We, the Class of June, 1952, have now reached the climax in our high school career. This year is one which we have looked forward to since we were old enough to realize what graduation meant. Now that we have reached this goal, we find that we are confronted with the editing of a yearbook, which in later years we can look back upon and recollect this important year in our lives. Upon creating the yearbook, the question arose as to whom we should dedicate this book. We realized that, because this was important, our choice should be sincere and earnest. What could be more fitting than to dedicate this book to the parents of us, the graduates? We realize what a small gesture of appreciation this is for what you have given us; but we hope it will make your proud and happy.

Perhaps the nice thing about this dedication is that it is not dedicated to a specific person. It is dedicated to people of all races, colors and creeds. However, these people have the same interest in mind. That is the interests of their children. Many times we did not show that we knew this but, honestly, never once did it leave our mind. Oh, yes, it hurt when Mary couldn't get a new dress or Johnny couldn't get the family car for that very important occasion, but what we didn't realize, at the time, was that it probably hurt you even more, not to be able to grant us our wishes. There were probably times when you found us very trying, and when you found us difficult to manage, hard to please, and would begin to lose patience with us.

We can only hope that there were even more times when you felt proud and happy to be our parents. We hope we didn't hurt your feelings when we didn't always heed your advice. I suppose you realized that our minds would never be at rest until we experienced a certain thing, even if it did mean failure. There were times when we thought you didn't understand, but how silly that was. If something which we thought was so important did not work out well, we were heartbroken and thought things would never be the same again. However, you reassured us and said, "Soon you'll be laughing at all the fuss you made over this." It was then we thought you didn't understand us. However, in a short time we would find we were wrong and you were right, as always.

We are now going into the world to be treated as adults; but to you we will always be children. We will still need your guidance and reassurance, and you will be there to give it to us. Maybe we still won't heed your advice or think you understand; but, always remember that deep inside we know that we can never surpass you in wisdom or understanding.

It is hard to put on paper all we feel in our hearts. "Thank you" is such a small phrase to express our appreciation for all you have given us. But, we do *thank you* from the bottom of our hearts.

evaluation in 1943 showed a need for an expanded guidance set-up and student activity program. Both of these are now flourishing.

This graduating class of June 1952 has produced some outstanding scholars, athletes, club leaders, actors, writers, speakers, musicians, and good citizens. Many have received awards for unusual ability, but many more in the class have contributed to make West Side recognized as a first-rate school.

We wish you good fortune in your future undertakings. May you continue to be loyal supporters of West Side ideals, remembering with pride that you have been graduated from a favored American high school.

During our senior year, they spent long and patient hours to make it so. The Senior Reception, The Senior Show, the Prom and all the things which made this year a memorable one will never be forgotten

# School Song

In morning light and evening fall,  
Through all the days of coming years—  
In times when glowing futures call—  
In hearts with laughter and with tears,  
Our love for you will never die,  
Oh, Alma Mater, West Side High.  
Our love for you will never die,  
Oh, Alma Mater, West Side High.

This love we have for you has grown  
More bright than any treasured gold,  
It deepens through each friend we've known.  
Each truth that to our hearts is told.  
Within the shelter of your walls,  
Within the rooms where wisdom calls.  
Our love for you will never die,  
Oh, Alma Mater, West Side High.

Though we have need to wander far,  
Close in our hearts your name will be.  
Your goodness, like a radiant star,  
Will rise with every memory,  
And having these sweet dreams of you,  
We shall remember and be true.  
Our love for you will never die,  
Oh, Alma Mater, West Side High.

In morning light and evening fall,  
Through all the days of coming years,  
In times when glowing futures call,  
In hearts with laughter and with tears,  
Our love for you will never die,  
Oh, Alma Mater, West Side High!  
Our love for you will never die,  
Oh, Alma Mater, West Side High!

Audrey Hildebrandt, always seen with paint and a brush, has been very busy with the making of all the advertising for the senior show, also the scenery. She was appointed as chairman of the prom decoration committee.

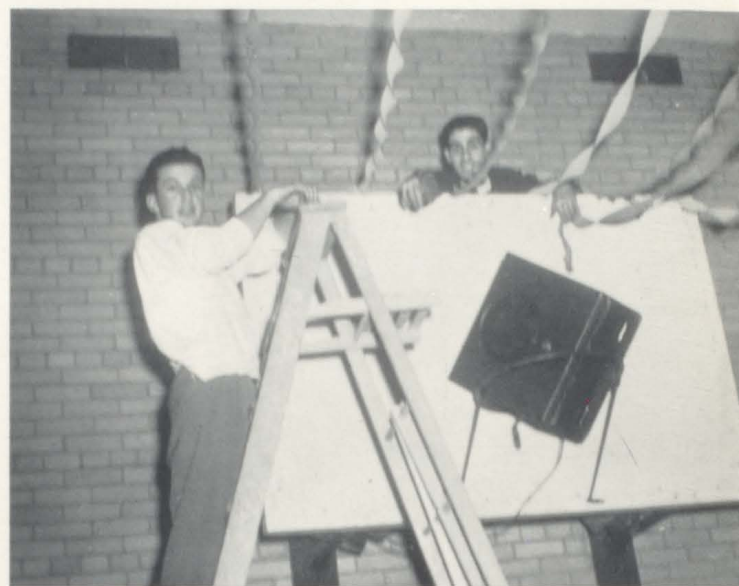

The successful Senior Reception was due to the hard working committee.

The work is hard, but "Oh! what fun!"

The thrones are decorated for the King and Queen.

The boys find that decorating the gym for the Senior Reception is quite a task.

Mr. Trachtenberg gives valued advice to our fellow seniors.

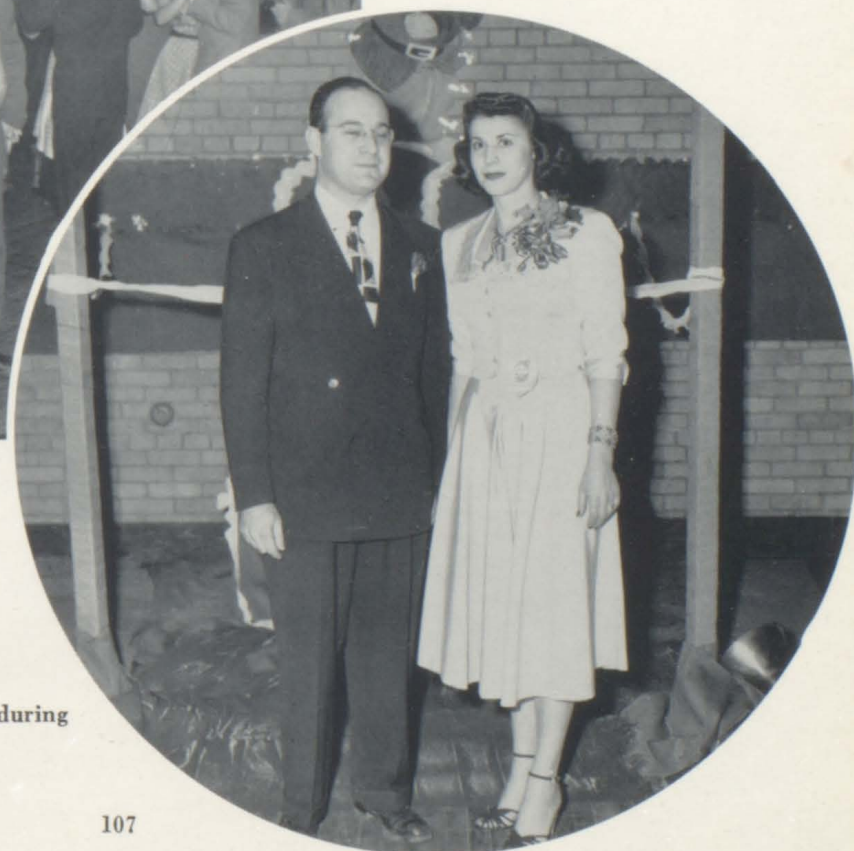

Time out for refreshments.

The Dance Band played enjoyable music.

The Seniors whirl around the floor.

Our Senior Advisers pose proudly during the enjoyable evening.

Dancing . . .

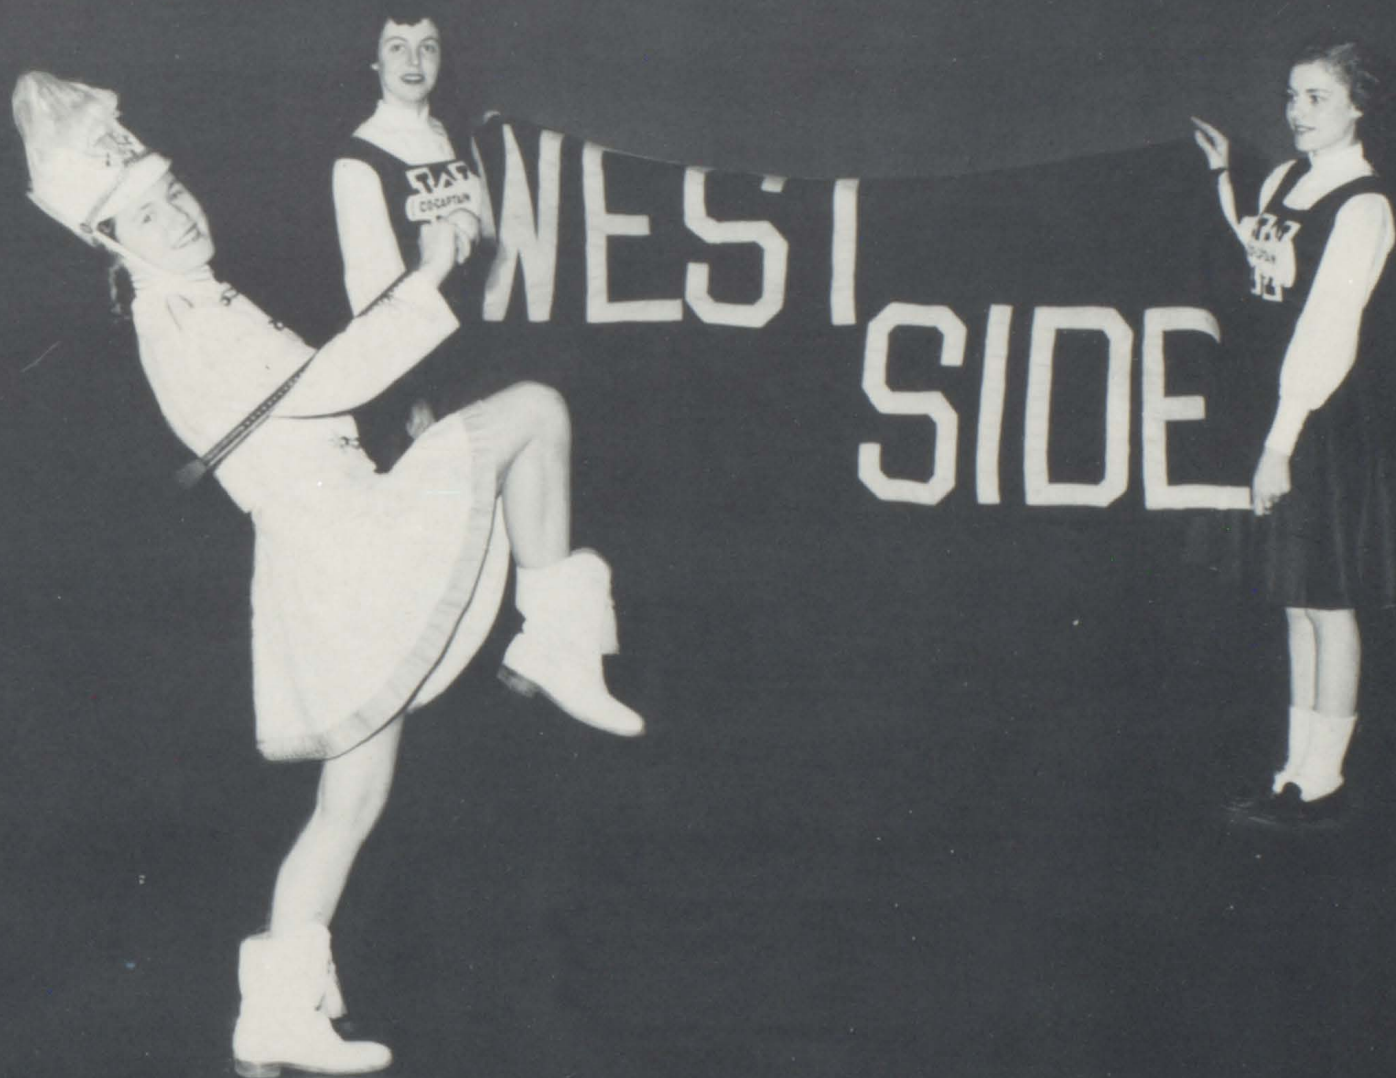

The King and Queen take their thrones.

The delicious refreshments were enjoyed by all.
